# Closing of a private placement of bonds for an amount of 70 million EUR

On 26.10.2016, Cofinimmo successfully closed the private placement of a ten-year bond, for a nominal amount of 70 million EUR, offering a fixed coupon of 1.70 %.

The bond was placed by BNP Paribas with a European institutional investor.

This bond issue allows Cofinimmo to extend the average debt maturity and to optimise its average cost.

## **About Cofinimmo:**

Founded in 1983, Cofinimmo is today the foremost listed Belgian real estate company specialising in rental property and an important player in the European market.

The company owns a diversified property portfolio spread over Belgium, France, the Netherlands and Germany, worth 3.2 billion EUR, representing a total surface area of over 1,700,000 m². Riding on demographic trends, its main investment segments are healthcare properties (43 %), offices (39 %) and distribution networks (17 %). As an independent company that consistently applies the highest corporate governance and sustainability standards, Cofinimmo services its tenants and manages its properties through its team of over 120 people, operating from Brussels.

Cofinimmo is listed on Euronext Brussels (BEL20) and benefits from the fiscal REIT regime in Belgium (RREC), in France (SIIC) and in the Netherlands (FBI). Its activities are controlled by the Financial Services and Markets Authority, the Belgian regulator.

At 30.06.2016, its total market capitalisation stands at 2.2 billion EUR. The company pursues investment policies which seek to offer a high dividend yield and capital protection over the long term, targeting both institutional and private investors.
