Cofinimmo wins the Sustainable Growth Award 2021 granted by Euronext Brussels

On the occasion of the New Year ceremony organised jointly by Euronext Brussels and Guberna on 18.01.2022, Cofinimmo (Euronext Brussels: COFB) was granted the Euronext Brussels Sustainable Growth Award 2021.

This award, exclusively based on measurable data, rewards the companies listed on Euronext Brussels that have shown the strongest sustainable growth over the last decade.

The ranking combines the ESG score (awarded by three specialised companies: Refinitiv, Sustainalytics and Vigeo Eiris) on the one hand, and the stock price performance over the last ten years on the other hand.

Jean-Pierre Hanin, CEO of Cofinimmo: *“This Euronext Sustainable Growth Award 2021 is a clear recognition of our historical and ongoing commitment to ESG, an area in which Cofinimmo has been a pioneer since 2008 and which is an integral part of our DNA. By 2030, we aim to reduce the energy intensity of our real estate portfolio by 30% compared to 2017, using the science-based targets methodology. This aligns us perfectly with the COP21 objectives. All our teams share this ambitious goal. This award is a fantastic motivation to continue to increase our efforts and to contribute to building a more sustainable environment.”*
